

~ Made By Rose ~
Wedding Checklist

Some things to consider before your florist consultation could be the theme of the wedding, colours, style, favourite flowers or something of sentimental value that you would like to involve in the arrangements. This will allow us to discuss all of your specific requirements and help us to ensure that we can make everything perfect for your special day. Provided is a helpful checklist to guide you through the various wedding florals available.

Once you have thought about what you like and what quantities you might need, we can work a budget to suit you with the flowers of your choice. If you are not sure about what you might like, have any questions, or you would simply like to book a consultation, please feel free to contact Rose Mann on 027 436 5999 or at madebyrose.nz@gmail.com.
